

# Sales Tax Recovery Made Easy

## Maximize Savings with Expert Guidance

With a history of conducting thousands of comprehensive reviews, our skilled team has assisted countless corporate and institutional clients in reclaiming millions of dollars in sales taxes, grants and incentives.

### Unmatched Expertise

Our team is composed exclusively of former government tax auditors, leveraging insider knowledge and expertise to maximize your tax recoveries. Our team ensures a seamless, end-to-end recovery process.

### Decades of Experience

With over 30 years of industry experience, we have successfully worked with some of the largest companies across North America, delivering exceptional results.

### Comprehensive Legal Support

We offer a dedicated in-house legal counsel skilled in handling all aspects of sales tax, including audits, objections, appeals, and litigation.
